## ACHIEVEMENTS

- Honoured with the **Impact Award** at **Qualcomm** for exceptional contribution and service excellence.
- Received the **Bronze Award** at **Genpact** for outstanding team performance.

- Recognized in the "**CURIOUS**" category for continuous learning and upskilling.
- Appreciated by **Coca-Cola clients** for accurate and timely delivery of Purchase Requisitions and Purchase Orders.
- Participated in **User Acceptance Testing (UAT)** for newly upgraded software, contributing to process validation and improvement.

## KEY PROJECTS & AUTOMATION INITIATIVES

- **Order Entry Metrics Dashboard** : Designed Power BI dashboard tracking India team's order entry performance - accuracy, backlog, and KPI trends - enabling management visibility and streamlined reporting.
- **PO Extraction Copilot Agent** : Developed a Copilot Agent converting PO copies (PDF, image, scanned) into structured Excel data, eliminating manual entry errors and improving team processing efficiency.
- **Report Automation (Power Automate + n8n)** : Automated reporting workflows using Power Automate and n8n — integrating Excel templates with email delivery, eliminating manual intervention and saving significant team hours.
- **SharePoint Knowledge Hub** : Built a centralized SharePoint page consolidating data, analytics, and team SOPs for the India Customer Service team — improving accessibility and cross-team collaboration.
- **Sales Order Review Application**: Collaborated on application development to streamline order validation, improving TAT compliance from **90–93% → 95–98%**.

## Corporate Work Experience

### QUALCOMM TECHNOLOGIES October 2024 – Till Date

- Processed 1,000+ customer orders/month across 50+ accounts, managing end-to-end Order-to-Cash lifecycle.
- Achieved 99% order accuracy and 99% on-time delivery using SAP & Oracle validations.
- Resolved 10–12 Salesforce cases daily with 95–98% TAT compliance.
- Built Power BI dashboards for real-time order visibility, improving prioritization.
- Automated recurring reports via n8n & Copilot, reducing manual effort.
- Contributed to Sales Order Review Application, improving TAT compliance from 90–93% → 95–98%.

### MICRON TECHNOLOGIES June 2023 – October 2024

#### Payroll – Object Technology Solutions India (OTSI)

- Created and modified sales orders; coordinated inter-company stocking and shipments.
- Released finished goods inventory for prioritized orders, ensuring customer promise dates.
- Forecasted demand and tracked order trends using analytics.
- Developed SOPs and drove continuous improvement programs.

- Liaised with customers and supply chain teams to resolve delivery issues.

#### **GENPACT INDIA PRIVATE LIMITED June 2021 – June 2023**

- Managed purchase requisitions & orders in SAP; Handled vendor lifecycle activities.
- Coordinated with PO approvers to ensure timely release of purchase orders.
- Resolved invoice blocks with Accounts Payable; supported budget shifts in Evolve tool.
- Participated in UAT for Salesforce automation tool, validating procurement workflows.
- Delivered daily performance reports and contributed to process improvement initiatives.
